# THE OFFICIAL IRISH CREAM LIQUEUR OF THE PITTSBURGH IRISH FEST

Five Farms is a true farm-to-table product, crafted from single batches of fresh cream that are combined with 10% premium triple-distilled Irish whiskey within 48 hours to become authentic Irish cream liqueur. With its notes of caramel and vanilla bean, the delicate sweetness of the cream, and the depth of Irish whiskey flavor, the quality surpasses every Irish cream that has come before it. Five Farms was awarded the Chairman's Trophy at the 2018 Ultimate Spirits Challenge, earning the highest score ever given to an Irish cream liqueur. The Official Irish Cream Liqueur of the Pittsburgh Irish Fest.

Forms and reference books are on-site to guide you as you begin or restart the process of climbing your Family Tree. Plan to visit the Genealogy Pavilion and volunteers will help you look up the meaning of your family's Irish name, locate your family in Ireland, or search online resources to help you develop your own Family Tree. It is important to have the correct information when researching your family in Ireland.

**IRISH DOG AREA**

Visit with the dogs native to Ireland! Meet Irish breeds: Irish Setter, Irish Wolfhounds, Irish Water Spaniel, Irish Terrier, Glen of Imaal, Irish Red and White Setter, Kerry Beagle, Kerry Blue Terrier, and the Soft-coated Wheaten Terrier. *\*Breeds and dog lengths of stay are subject to change and may be limited due to the COVID-19 pandemic*

**CULTURAL HEDGE  
SCHOOL STAGE**

One of the most popular areas at the festival is the Hedge school. Based on the infamous Penal Laws, hedge schools developed in Ireland in response to the bans placed on educating Irish natives about their history, traditions, and culture. As a result, lessons were taught in secret in a barn or in the shadow of a hedge. We are proud to offer on-going educational sessions in the areas of history, legends, music, language, dance, sports, and symbols of Ireland.

**SHOP AT THE IRISH  
MARKETPLACE**

A favorite area of the Festival is the Irish Marketplace where unique shopping booths display a panorama of Irish items for sale. Take home a specialized clothing article, piece of art, interesting trinket or souvenir. Guaranteed Irish, we feature over 50 specialty booths. Don't forget to visit our Festival's award-winning t-shirt booth!

**CULTURAL  
BEVERAGE TASTINGS**

For our guests 21+, beverage tasting is included in the price of your Festival admission ticket! Visit our Cultural Beverage Tasting area as you experience the charm, depth and diversity of flavor found in Irish whiskeys, mead, and more. Each booth will feature professionally curated tastings conducted by a whiskey master, Protector of the Peat, or mead maker. You will get to compare and contrast the unique qualities of legendary brands. This area is brought to you by Kingview Mead, Jameson Irish Whiskey, Five Farms Irish Cream, and Drumshanbo Gunpowder Irish Gin. Visit [pghirishfest.org](http://pghirishfest.org) for a complete list of featured brands.

**MEET PITTSBURGH'S IRISH  
ORGANIZATIONS**

Members will be on hand with lots of information and an invitation to join them!

**RAFFLE**

Stop by our Festival Raffle Booth for your chance to win Irish gift items, Festival merchandise, tickets to local events, gift cards, and more! In celebration of our 30th Anniversary we will also be raffling off a private tour of Ireland\* thanks to our tourism partner, Little Gem Tours. \*Visit [pghirishfest.org](http://pghirishfest.org) for details, rules, and regulations

### Irish Education outreach program Sponsored by The Irish Partnership Inc.

The Irish Partnership Inc. is a non-profit 501(c)(3) corporation created to contribute to the rich cultural expression of Irish history and tradition that exists in Pittsburgh. In addition to our three-day Irish Festival, the Irish Partnership has expanded into a year-round resource for education and cultural programs through the creation of the Irish Education Outreach Program.

The Program's primary objective is to create a higher awareness of the ethnic richness and significance of the Irish and Irish-American culture and presence, from both an historic and contemporary perspective.

In-service consultants are available to community groups and organizations as well as to interested school districts. In addition to cultural presentations, our consultants provide Irish studies workshops for teachers. Materials are multidisciplinary in design, combining and integrating study of the following areas:

**Arts • History • Patron Saints • Dance • Irish in America • Sports  
Economy • Language • Symbols • Geography • Music • Tourism**

Curriculum Presentations have been developed for use in pre-school, elementary, and secondary level classrooms. Please call us for more information.
